## LOCAL ELKS CALL ROLL OF THE DEAD

Tributes Paid to Departed,  
With President and Mrs.  
Harding Attending.

Solemnly and impressively, in accordance with the ritual of the order, members of the Washington Lodge of Elks gathered in the auditorium of Central High School last night and paid high tribute to the lodge brothers who died during the year.

President Harding, a member of the order, with Mrs. Harding, was present during these memorial services which were simultaneous with similar exercises held by 1,400 other Elk lodges throughout the country. Among the other prominent persons in attendance were John G. Price, attorney general of Ohio, who made the memorial oration, and Mrs. Price; Brig. Gen. Charles E. Sawyer, the President's family physician, and Commissioners Rudolph and Oyster.

The large auditorium was crowded to its capacity. The stage was beautifully decorated, principally with flowers and greens. Patrick J. Callan, exalted ruler of the Washington Elks, presided at the services. The roll of the "departed brothers" was called by Secretary William S. Shelby and as each answered name was called a light on the big cross on the stage was extinguished.

In his oration Gen. Price eulogized the deceased members and told of the great accomplishments of the organization. He urged all Elks to lead in promoting Americanization and in all movements for the betterment of national and local conditions. In conclusion he turned to "Brother Harding" and to him pledged the support of the Elks of the nation.

PROTECTION IS URGED.  
A proclamation has been issued by nationalist leaders in India calling upon loyal natives to assist in protecting all American and European non-combatants "during the revolution which is expected to break over all of India this month," according to information received by Sallendra N. Ghose, director of the American Commission to Promote Self-government in India.

**Don't Neglect a Cold**  
Mothers, don't let colds get underway at the first cough or sniffle rub Musterole on the throat and chest. Musterole is a pure, white ointment, made with oil of mustard. It draws out congestion, relieves soreness, does all the work of the good old-fashioned mustard plaster in a gentler way, without the blister.  
Keep a jar handy for all emergencies. It may prevent pneumonia in your home, 25 and 45 cents in jars and tubes; hospital size, \$3.  
BETTER THAN A MUSTARD PLASTER

**PREVENTOL**  
MAKES A CLEAN HOME  
Bad odors vanish before  
"PREVENTOL"  
Use it freely in your garbage pails. It kills moths, roaches, bed bugs and fleas.  
"PREVENTOL" is as necessary as soap and water for a clean home all the year round.

Try This if You Have Dandruff  
There is one sure way that never fails to remove dandruff completely and that is to use Musterole. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arron; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.  
By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.  
You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.  
You can get liquid arron at any drug store. It is inexpensive and four ounces is all you will need. This simple remedy has never been known to fail. Advertisment.
